

The Gospel of John

This Gospel is considered the most beautiful, enriching, and mystical of the accounts written about the life and ministry of Jesus. It was written by one of those who was the closest to Him and had lived longer than the other first-century apostles, and therefore had walked with the Lord longer than anyone else. It also includes three of the most important chapters in The Bible. This is a must-read for those who love the Word Himself and His written Word.
