

A Guide Book of United States Coins (Official Red Book: A Guide Book of United States Coins)

Updated annually, this fully illustrated reference, available in both hardcover and spiral-bound trade paperback editions, is the definitive resource for all levels of coin collectors. The Red Book has been valued by hobbyists for more than five decades as the comprehensive reference to historical data and current retail prices for all United States coins. This edition is updated to include: All values showing latest coin price trends All-new commemorative coins and statehood designs Hundreds of actual-size color photos Major revisions to the private Gold Collection. Chapters in the book include detailed listings of colonial coins, from 1616 to the opening of the federal mint, and all United States coins, including early American coins and tokens, early mint issues; regular mint issues; proofs, private, state and territorial gold and silver and gold commemorative issues.
