

The Four Horsemen of the Apocalypse (End Times Answers)

The image of the four horsemen of the Apocalypse in Revelation 6:1-8 is one of the most vivid and powerful in all the writings of the prophets. Their presence speaks of a coming day of horror - the first four judgments of the tribulation. White, red, black, and pale, they will wreak destruction around the world. Prophecy expert Mark Hitchcock takes an in-depth look at the horsemen and shows how today's events point toward the prophecy about them. Signs all around us indicate that the four horsemen of the Apocalypse may be ready to mount up and gallop across the earth.
