

Changed in a Moment

Changed In a Moment shares new stories that demonstrate to believers that God is still doing today what He was doing more than 15 years ago. I remain amazed at the power of God to radically change a persons life in a matter of seconds. Join me as we seek to understand the profoundness of being changed in a moment by God. I hope you will be moved to tears of love and laughter of joy and at the same time experience a profound peace as you read about those who have been changed by the Prince of Peace. Read about their battles of faith and how just one touch set in motion a new life definitely changed by God. We have purposely chosen stories of men and women, of professionals and blue-collar workers, of pastors, missionaries and laypeople.
