

## A Shadow in Summer (The Long Price Quartet Book 1)

The powerful city-state of Saraykeht is a bastion of peace and culture, a major center of commerce and trade. Its economy depends on the power of the captive spirit, Seedless, an andat bound to the poet-sorcerer Heshai for life. Enter the Galts, a juggernaut of an empire committed to laying waste to all lands with their ferocious army. Saraykeht, though, has always been too strong for the Galts to attack, but now they see an opportunity. If they can dispose of Heshai, Seedless bonded poet-sorcerer, Seedless will perish and the entire city will fall. With secret forces inside the city, the Galts prepare to enact their terrible plan. In the middle is Otah, a simple laborer with a complex past. Recruited to act as a bodyguard for his girlfriends boss at a secret meeting, he inadvertently learns of the Galtish plot. Otah finds himself as the sole hope of Saraykeht, either he stops the Galts, or the whole city and everyone in it perishes forever.
