

## Mary O'Reilly Paranormal Mysteries: Tangled Trail (Kindle Worlds Novella)

At the end of a secluded gravel lane named Tangled Trail, sit two large, Victorian-style houses. What were once vibrant and colorful homes, they now sit in a state of slow decay. Young Hadlee Monroe has just received her high-school diploma. Hadlee suffers from anxiety issues, and has lived on Tangled Trail for most of her life. Her elderly neighbor, Miss Anna DuVall, tells Hadlee the stories of a lifetime spent on Tangled Trail, recounting the happier times and hinting that not everything may be as it appears. Hadlee begins to experience spine-chilling events that she cannot explain. She doesn't believe in ghosts, but nothing else can account for the strange occurrences that now taunt her. As life begins to spiral toward chaos, Hadlee must determine if the mysterious incidents are simply in her mind, or if something threatening lurks at the end of Tangled Trail. After a series of eerie events, Hadlee connects with Mary O'Reilly, who discovers that there are a lot of secrets among those living and those long dead...who reside on Tangled Trail.
