

Blood Prophecy: Kallens Tale: Book 2.5 of the Witch Fairy Series (Volume 2)

The Witches are going to try to kill his new girlfriend. And her grandmother is keeping a major secret that he cant tell or hell die a horrendous death. Add that to the pressure of trying to get her parents to like him after he had been so rude the last time they met, and Kallens life gets pretty stressful. As if things arent crazy enough, he figures out he has fallen head over heels in love with Xandra. But, does she love him? Find out as you read Kallens side of the story.

***** Reader Message ***** Blood Prophecy: Kallens Tale is meant to be read after Blood Prophecy. This is a companion book that gives the reader a look into Kallens mind as he and Xandra face the Witches who want her dead. In an effort to avoid as much redundancy as possible, I have condensed some scenes, focusing less on Xandra and more on Kallen. This could cause confusion if this book is read first. I hope you enjoy this look into Kallens world.
