

Bodyguard Tactics

Bodyguards protect individuals or groups from risk of violence, kidnapping or any other harmful situation. If you have great observational skills and want to work in a job where you would be helping people, this could be the job for you. Dangerous situations are something you'll need to recognize and react quickly to in this job. You'd also need to be able to stay calm under pressure. This detailed book (much recently unclassified) also has a information packed glossary-everything from anti-terrorist to cybercrime!
