

Brotherhood of the Blade: The Brotherhood of the Blade Trilogy, Books 1-3

The complete Brotherhood of the Blade Trilogy, now together in one easy-to-listen volume, including: **Burning** What would you do if everything - and everyone - you loved was taken from you? Rand Sebastian, ex-Navy SEAL and now a full-time family man, is about to discover that evil lurks in the world. Real evil. And when this darkness comes after him and his family, he will do everything he can to stop it...and to save his loved ones. Now trained by the legendary Brotherhood of the Blade in a remote castle setting, Rand will learn all the skills necessary to find his missing daughter... and to stop the killers who prey on mankind. **Afterglow** Rand Sebastian, who is now a trained vampire hunter with the Brotherhood of the Blade, faces dangerous challenges when a missing member of the Sisterhood of the Scythe returns to the castle after a long disappearance. There's just one problem: She's now a very dangerous vampire, and she's asking for sanctuary. She also reveals intel that leads Rand on a mission to Romania to see if his kidnapped daughter is there. Planning a one-man invasion, Rand is stunned at what he discovers - it will take all of his courage and training to go up against the most evil vampire who ever existed. **Radiance** When Rand Sebastian, a highly trained vampire hunter, fights Delilah, an ancient vampire, she reveals something so shocking that it nearly destroys him. But is it the truth or a lie? Then, while on a vampire hunt with Ambra, an unexpected tragedy puts Rand in a position where he must recruit others to sustain their operations. When he considers hiring a vampire to join Brotherhood of the Blade, it will set in motion a series of events that will test his leadership decisions, his fighting skills and his belief that goodness will always triumph over evil. Samantha Moon, the vampire detective, lends a hand with intel that could be the break that Rand needs to

find his daughter. But the clock is ticking and he must move before the trail grows cold. On their final mission to slay the ancient vampire, Nero, the vampire hunters and Corbin the werewolf go on a journey where everything is at stake, including the future of the Brotherhood of the Blade and Sisterhood of the Scythe... and the life of a little girl.
