

Kingdom Marriage Devotional

This 90-day devotional is a perfect way for kingdom couples to start the day together remembering the principles they are learning in the Kingdom Marriage book, DVD Video Curriculum, or Participants Guide. Couples will find daily inspiration to step together into the full role God has for them so they begin to fulfill Gods design and purpose for their marriage. With practical insights and powerful stories, Tony Evans inspires and instructs couples so they discover the hope, challenge, and guidance Gods Word provides for their journey together. Kingdom Marriage Devotional shows couples that the key to influencing our society and the world with lasting impact is found in solidifying Biblical marriage the way God intended. It starts with both wife and husband being nurtured in the Lords presence and then reflecting His image within the roles and responsibilities of their union. Kingdom Marriage Devotional and other Kingdom Marriage products are part of an entire line of Kingdom products by Tony Evans, including Kingdom Man, Kingdom Woman, Raising Kingdom Kids, and the Kingdom Quest strategy guides for kids and teens.
