

Moltos Dream

Molto the cat longs to be able to fly so he can see the world from on high. His friends are sympathetic and promise to help. And help they do! They come up with a grand plan to build a hot-air balloon. Its a wonderful balloon, but Molto discovers that while a dream come true is nice, sharing it with friends is even better. Raoul Krischanitzs pudgy feline hero is irresistibly appealing, and his story of the joys of friendship soars with lighthearted humor and cheerful warmth.
