The stitchers of the Embroiderers Guild raised over twenty thousand dollars for charity?but the representative who accepted the check at the annual convention disappeared with it. It turns out that he's the husband of the local chapter president, Allie Germaine, who insists on his innocence. But if Bob Germaine didn't pocket the check, who did? And where is Bob now? Since needlework shop owner Betsy Devonshire has broken her leg horseback riding, solving the latest crime will have to be a group project.
