

Prelude to Fire: Part I - First Warrior (The Cloud Warrior Saga)

A Warrior to a dying king is about to become a man without purpose. Lacertin has served his king faithfully for decades, but has failed on his final mission for him. When he returns to the kingdoms, he discovers a dark secret to the king's illness, and the only person who can truly help him hides a secret of her own. Lacertin must decide how much he will sacrifice for the people he cares most about. Part one of Prelude to Fire, a story of Lacertin set prior to the events in The Cloud Warrior Saga.
