

The Collected Essays, Journalism And Letters Of George Orwell, Volume 4 1945-1950

A record of a great writer's nonfiction work and an evolving picture of the last years of his life, during the time when he published *Animal Farm* and *1984*. A magnificent tribute to the probity, consistency and insight of Orwell's topical writings....A remarkable self-portrait (Alfred Kazin, *Book World*). Edited by Sonia Orwell and Ian Angus; Index.
