

Communion: A Bible Study Wordbook for Kids (Childrens Wordbooks)

Perfect for use in Sunday school, Bible clubs, midweek programs, and even at home with a parent, this wordbook study on communion introduces children to the Lords Supper and its meaning. The book illustrates the history of communion, how it is done, and why. It also explains when a child may go to communion: when their spiritual maturity has reached a point when the experience of communion can be fully appreciated. Activities include a maze, hidden bread and cup activity, coloring page, and secret message. This wordbook, designed especially for kids in grades 25, complements the rest of the Childrens Wordbook series. They are great resources for parents and teachers who want to teach children the Christian doctrines of salvation, baptism, communion, giving, and the Church.
