

Critique of the Power of Judgment (The Cambridge Edition of the Works of Immanuel Kant)

This entirely new translation of Kants Critique of the Power of Judgment follows the principles and high standards of all other volumes in The Cambridge Edition of the Works of Immanuel Kant. This volume includes for the first time the first draft of Kants introduction to the work; the only English edition notes to the many differences between the first (1790) and second (1793) editions of the work; and relevant passages in Kants anthropology lectures where he elaborated on his aesthetic views.
