

Mark: A Guide to the New Daily Study Bible (Guides to the New Daily Study Bible)

Considered by most scholars to be the first Gospel written, Mark offers a fast-paced and visual account of the life of Jesus and includes many tales of his miraculous works. Responding to the need for fresh, practical, and affordable resources for personal and group study, this new series of Gospel study guides is the perfect compliment to William Barclay's New Daily Study Bible. Each volume is divided into sections offering a page-long excerpt from the New Daily Study Bible followed by questions to encourage group discussion and personal reflection, and suggestions for praying and applying Scripture to our daily lives.
