

Hounds Bite (Ivy Granger, Psychic Detective) (Volume 5)

PRG Reviewers Choice Award finalist for Best Urban Fantasy series. Ivy Granger thought she left the worst of Mabs creations behind when she escaped Faerie. She thought wrong. In a cruel twist of fate, Ivy has unleashed a powerful horde of Unseelie beasts upon her city, turning her homecoming into a potential slaughter of innocents. Now Ivy must gather her allies to fight a reputedly unstoppable force--The Wild Hunt. Will the training Ivy received in her fathers court be enough to save her city, or will Harborsmouth be forced to kneel before the Lord of the Hunt? She is willing to risk her own life, but some sacrifices come at a cost worse than death. When an ally is bitten by one of The Wild Hunts hounds, Ivy must face the possibility that winning this battle may mean killing the one person she has come to love most. Hounds Bite is the fifth full-length novel in the award-winning, bestselling Ivy Granger urban fantasy series by E.J. Stevens. The world of Ivy Granger, including the Ivy Granger Psychic Detective series and Hunters Guild series, is filled with action, mystery, magic, dark humor, quirky characters, bloodsucking vampires, flirtatious demons, sarcastic gargoyles, sexy shifters, temperamental witches, psychotic faeries, and snarky, kick-butt heroines. The Ivy Granger series has won numerous awards, including the BTS Red Carpet Award for Best Novel, the PRG Reviewers Choice Award for Best Paranormal Fantasy Novel, Best Urban Fantasy Novel, and finalist for Best Urban Fantasy Series.
