

The contents of this book are profound and enriched. The compilers carefully organize the complicated knowledge about this big big world and roughly classify them into 12 parts: human geography, natural science, plant kingdom, animal world, literature piazza, art galley, history knowledge, cultural customs, people mysteries, sports knowledge, social life and military world. Each part collects the necessary knowledge for children from the field thereof. This book could have very good influence on childrens growth and help them know about the world, improve their knowledge and grow healthily.

Thomas Taylor, the Platonist: Selected Writings, Only a Star, History of the Pilgrims and Puritans, their ancestry and descendants; basis of Americanization, Goethes Werke: Vollstaendige Ausgabe Letzter Hand, Volume 17...
