

Family Life Bible Study for Couples

A Study Guide to Equip Couples for Life. FamilyLife Bible Study for Couples helps couples and those who are one half of a couple explore the issues facing husbands and wives: resolving conflict, communicating effectively, raising godly children, rekindling and maintaining romance together, loving difficult family members, and more. With firm biblical grounding, this seven-week study has applications for personal growth, individual reflection questions, and discussion questions for couples and small groups.
