

Frostborn: The Master Thief (Frostborn #4)

RIDMARK ARBAN is the Gray Knight, outcast and exiled from the High Kings realm. Yet he alone sees the danger of the terrible Frostborn, the creatures that will sheathe the world in ice and quench all life.

But none of the lords of the realm believe his warnings. And his enemies want him dead...and the secret allies of the Frostborn wish to silence him forever. As old foes and new enemies close around him, Ridmark must fight for his life. Or else the Frostborn will return, bringing eternal ice and darkness with them. ABOUT THE AUTHOR Standing over six feet tall, Jonathan Moeller has the piercing blue eyes of a Conan of Cimmeria, the bronze-colored hair a Visigothic warrior-king, and the stern visage of a captain of men, none of which are useful in his career as a computer repairman, alas. He has written the DEMONSOULED series of sword-and-sorcery novels, and continues to write THE GHOSTS sequence about assassin and spy Caina Amalas, the COMPUTER BEGINNERS GUIDE series of computer books, and numerous other works.
