

## He Came Down from Heaven and the Forgiveness of Sins

These two long essays make up, with *The Descent of the Dove*, Charles Williams principal theological writing. With these books and with *The Figure of Beatrice* the reader is as fully equipped as possible for studying the religious thought of this brilliant poet, novelist, essayist and historian. Charles Williams was one of the finest--not to mention one of the most unusual--theologians of the twentieth century. His mysticism is palpable--the unseen world interpenetrates ours at every point, and spiritual exchange occurs all the time, unseen and largely unlooked for. His novels are legend, and as a member of the Inklings, he contributed to the mythopoetic revival in contemporary culture.
