

## How to Write a Novel in 5 Steps

In five simple steps this short book will show you how I wrote a Kindle novel that pays my rent. It also includes five life hacks on how to boost your confidence and productivity as a writer, and how to change your mindset and lifestyle to write better, faster. I'm not a full-time author or an award winner. I write novels around my day job. I couldn't find a quick step-by-step system like this, so I made my own. This isn't a complex strategy for writing bestsellers; it's five simple instructions that require plenty of hard work to get your novel online. If you're prepared to follow these steps and repeat the same actions every day without fail then this book will show you, quickly, how to write your novel and publish it in the Kindle store and how to become a more skilled, prolific writer every day. What the readers say:????? A very simple and easy to read help book. However, some very poignant advice
