

Hustlers, Harlots, and Heroes

Get ready to step into the back alleys of Jane Austen and Charles Dickenss London, and explore the alternative worlds of steampunk in this new guide book by fantasy author Krista D. Ball. Ball takes readers on a fascinating journey into the world of the Have-Nots, and explores the bustling, crime-ridden London during the Georgian and Victorian eras. Discover the world of knocker-uppers (its not what you think), mudlarks, and costermongers. Learn how to scrub floors and polish knives, pick for bones, and catch rats. Learn about race and social status, and the difference between a ladys maid and a scullery maid. With her usual wit, insight, and snark, Ball gives historical, romance, and steampunk authors the tools to create vibrant, realistic worlds. Whether youre an author, a Janeite, or just a fan of history, Hustlers, Harlots, and Heroes gives you a fresh look into the dark past.
