

Connect Access Card for Holes Human Anatomy & Physiology with Martin Lab Manual Main Version

Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, how they need it, so that your class time is more engaging and effective. Learn. Practice. Assess. Holes Human Anatomy and Physiology was created for the introductory level student and assumes no prior science knowledge by placing emphasis on the fundamentals. This new edition updates a great A&P classic while offering greater efficiencies to the user. The format for the 13th edition focuses on Learning Outcomes and Assessments. This will benefit the student along with the instructor.
