

Americas best true-crime writer (Kirkus Reviews), Ann Rule presents an all-new collection of crime stories drawn from her private files -- and featuring the riveting case of a fraudulent doctor whose lifelong deceptions had deadly consequences. **LAST DANCE LAST CHANCE** Dr. Anthony Pignataro was a cosmetic surgeon and a famed medical researcher whose flashy red Lamborghini and flamboyant lifestyle in western New York State suggested a highly successful career. But appearances, as this shocking insider account of Pignataros tailspin from physician to prisoner proves, can be deceiving -- and, for the doctors wife, very nearly deadly. No one was safe if they got in his way. With scalpel, drugs, and arsenic, he betrayed every oath a physician makes -- until his own schemes backfired. Now, the motivations of the classic sociopath are plumbed with chilling accuracy by Ann Rule. Along with other shocking true cases, this worldwide headline-making case will have you turning pages in disbelief that a trusted medical professional could sink to the depths of greed, manipulation, and self-aggrandizement where even slow, deliberate murder is not seen for what it truly is: pure evil.
