

By drawing equally on the work of historians and archaeologists, Colin Platt puts forward a view of English medieval society in which there is much that is new and unexpected. Medieval England brings together a wide range of themes, from castle and palace to peasant hovel, from the great cathedrals and monasteries to the parish churches and `alien cells. The book is fully illustrated, the pictures being an integral part of the text. For this re-issue Professor Platt has written a new preface which updates the work with a survey of archaeological and historical developments in the last decade.

Sleep No More (Eve Duncan Book 15), Agatha Christie : Pale Horse, Bundle: Psychology: Themes & Variations, Briefer Edition 9th + MindTap Psychology Printed Access Card, 7 Day Paleo Diet Plan: The Only Guide You Need To Get Started With the Paleo Diet, Complete with Mouthwatering Recipes, The Western Heritage: Combined Volume with MyHistoryLab and Pearson eText (10th Edition), Adventures of Sherlock Holmes Memoirs Of,
