

Monster Hunter Vendetta (Monster Hunters International Book 2)

Accountant turned professional monster hunter, Owen Zastava Pitt, managed to stop the nefarious Old Ones invasion plans last year, but as a result made an enemy out of one of the most powerful beings in the universe. Now an evil death cult known as the Church of the Temporary Mortal Condition wants to capture Owen in order to gain the favor of the great Old Ones. The Condition is led by a fanatical necromancer known as the Shadow Man. The government wants to capture the Shadow Man and has assigned the enigmatic Agent Franks to be Owens full time bodyguard, which is a polite way of saying that Owen is monster bait. With supernatural assassins targeting his family, a spy in their midst, and horrific beasts lurking around every corner, Owen and the staff of Monster Hunter International dont need to go hunting, because this time the monsters are hunting them. Fortunately, this bait is armed and very dangerous...At the publishers request, this title is sold without DRM (DRM Rights Management).
