Black & Decker Home Planner & Logbook: Record all your important information for easy, one-stop reference

Easily keep track of the work youve put into your home--or figure out what it needs--with help from this convenient planner!When was the last time you changed your furnace filter? What was the exact shade of the paint you used in the guest bedroom? Is your oven still under warranty? Every homeowner should know the answer to these questions, and many more, but keeping up with every little thing can be a challenge. It helps if you have a system! Thats where the Black & Decker Home Planner & Logbook comes in. This book tells you what you need to know, how to get the information, and gives you lots of room to keep records about:- House History-Financial Information Warranties- Scheduled Maintenance Log-Appliances- Heating & Cooling- Repair Projects- Decorative Log including Paint & Floor Coverings- Outdoor Areas & Home ExteriorWhy not just use a blank notebook? Because the Black & Decker Home Planner & Logbook is full of photos, illustrations, and tips to help you decode every system in your house, such as how to read a water meter or estimate the shelf life of paint. Two large pockets attached to the back cover help you securely store receipts, warranties, manuals, and other documents, so you wont have to scramble to find your plumbers phone number during emergency!
