

Babys First Photo Bible

This little Bible book, intended for very young children, introduces little ones to the stories of Creation, Noah and the ark, baby Moses, Daniel and the lions, the Nativity, and Jesus as our Teacher. The text also relates the message of the story to blessings in the child's life. Each spread features a photo pocket for parents to customize the stories with their own child's photo. With large, colorful art, simple text, and a padded case, this book is an ideal introduction to the Bible for babies and toddlers.
