

Brodies Notes on William Congreves Way of the World

Part of the Brodies Notes series, this book aids English literature GCSE and A-Level students in their coursework projects and study of set texts by increasing understanding and enjoyment of the books. It is designed to provide imaginative responses, and should help to stimulate independent critical appraisal of Congreves The Way of the World. Other features include: background to the work; summaries of the text; critical commentaries; analysis of characterization, style, structure, setting and themes; and sample questions for guidelines.
