

## One of Ours

Willa Sibert Cather was an American author who achieved recognition for her novels of frontier life on the Great Plains, works such as *O Pioneers!*, *My Antonia*, and *The Song of the Lark*. In 1923 she was awarded the Pulitzer for *One of Ours*, a novel set during World War I. It tells the story of the life of Claude Wheeler, a Nebraska native around the turn of the 20th century. The son of a successful Midwestern farmer and an intensely pious mother, he is guaranteed a comfortable livelihood. Nevertheless, Wheeler views himself as a victim of his father's success and his own inexplicable malaise.
