The Magic Of Oz About Author: Lyman Frank Baum (May 15, 1856 May 6, 1919) was an American author of childrens books, best known for writing The Wonderful Wizard of Oz. He wrote thirteen novel sequels, nine other fantasy novels, and a host of other works (55 novels in total, plus four lost novels, 83 short stories, over 200 poems, an unknown number of scripts,[1] and many miscellaneous writings), and made numerous attempts to bring his works to the stage and screen. His works anticipated such century-later commonplaces as television, augmented reality, laptop computers (The Master Key), wireless telephones (Tik-Tok of Oz), women in high risk, action-heavy occupations (Mary Louise in the Country), and the ubiquity of advertising on clothing (Aunt Janes Nieces at Work).
