

Return of Inspector Banks Omnibus Edition

Peter Robinson's Detective Chief Inspector Banks is now a favourite with readers across the globe. This third omnibus collects Robinson's seventh, eighth and ninth Banks novels and sees the brilliant detective face his most challenging cases yet. **Final Account** When accountant Keith Rothwell is brutally murdered, the victim's background provides more questions than answers. When the case takes another unexpected twist, Banks finds himself in a race against time with the killers dogging his footsteps. **Innocent Graves** Sixteen-year-old Deborah Harrison was last seen alive heading home from school. Her body is soon found in the local cemetery and a suspect is apprehended, but Banks is not convinced. There are two many loose ends including the victim's own dark secrets. **Dead Right** On a rainy night in Eastvale, a teenager is found brutally beaten to death after what appears to be a pub brawl gone wrong. As Banks investigates, the case becomes more complex and more sinister, and the solving of the mystery becomes imperative as escalating racial tensions threaten more violence to come.
