

Shepherds Notes: Leviticus/Numbers

You grew up using the well known black and yellow striped Cliffs Notes to help you grasp everything from great literary works to algebra. Unfortunately, what Cliff forgot was the greatest literary work in history: the complete Holy Bible. Enjoy the ease of understanding the Bible like never before, book by book. Shepherds notes helps readers learn about the inspired authors of the Bible books and when and where they were first penned. Each Bible book is revealed in simple understandable steps that outline and underscore the focal points and personalities of the biblical text. You'll look to these unique books for their use in Bible studies, teaching, personal devotions and even in sermon preparation! Christian and home schools will find Shepherds Notes an invaluable resource.
