

The Collected Memoirs of Sherlock Holmes (Audio Theater Dramatization) (BBC Radio Crimes)

[A BBC Radio 4 dramatization performed by Clive Merrison, Michael Williams, and a Full Cast] Clive Merrison stars as the enduringly popular sleuth with Michael Williams as Watson in this three-volume collection from the unique fully dramatized BBC Radio 4 canon. A second collection of stories continues the adventures of Arthur Conan Doyle's much-loved fictional detective. In these intriguing tales, Holmes and Watson solve cases that range from the suspicious to the downright strange and encounter mysteries as diverse as a missing horse and a stolen government document. These twelve stories also include Holmes very first case and the epic struggle between Holmes and Moriarty high above the Reichenbach Falls. Volume One: Silver Blaze / The Yellow Face / The Stockbrokers Clerk / The Gloria Scott Volume Two: The Musgrave Ritual / The Reigate Squires / The Crooked Man / The Resident Patient Volume Three: The Greek Interpreter / The Naval Treaty / The Second Stain / The Final Problem Gripping, suspenseful, and hugely entertaining, these acclaimed dramatizations bring the world of Holmes and Watson to life and are guaranteed to appeal to any fan of the great detective.
