

# Short Guide to writing about Literature:Pearson New International Edition

Part of Longmans successful Short Guide Series, A Short Guide to Writing about Literature emphasizes writing as a process and incorporates new critical approaches to writing about literature. The twelfth edition continues to offer students sound advice on how to become critical thinkers and enrich their reading response through accessible, step-by-step instruction. This highly respected text is ideal as a supplement to any course where writing about literature or literary studies is emphasized.
