

## Snow White and Rose Red (Matthew Hope Series)

A beautiful young woman claims her mother falsely committed her to a mental institution, and lawyer Matthew Hope must navigate a world of sex and psychosis to find the truth. Praise for the Matthew Hope Mysteries: Guaranteed to raise the hackles you didn't know you had. Kansas City Star The Matthew Hope novels do for the world of Florida sleaze what the 87th Precinct books do for big-city vice. The reader is hooked and given not a moment's letup.
