

Spotlight On The Minor Prophets - Zechariah: Part 11 of a Christian home group Bible Study series on the 12 Prophets

Introducing The Minor prophets Bible Study Guidebook: Zechariah. The Minor Prophet Zechariah is the eleventh book in the Bible study series Spotlight On The Minor Prophets. Zechariah was a prophet to the exiles, and a man who spoke loudly on the coming of the Messiah. What would be known now as an end-days preacher, Zechariah had a real compassion for God, and longed for his return. His message told the people that God had not abandoned nor forgotten them, in fact Zechariah's own name is translated as Yahweh has remembered. In the sometimes fickle and frightening world of today, it is good to know that indeed The Lord has not forgotten us, but instead calls us to be ready for his return. These study guides are not intended to be in-depth bible studies as such; but instead an introduction or summary of the Prophets, their times and influences both then and today. These short bible studies of the Old Testament Prophets are intended for individual or group use, and I have found them useful for encouraging debate and conversation, on all the topics that affected the peoples at that time; and now affect ourselves in today's world. Job states that As sure as sparks fly upwards, Man is born to trouble. The social and economic troubles that the ancients faced are the same ones as we face now. It has been said that if we do not learn from our mistakes, then we are doomed to repeat them. Perhaps its time to listen to their problems and see what The Lord had to say through his spokesmen whom we know as the Minor Prophets.
