

The Western Heritage, Vol. 1, 6th Teaching and Learning Classroom Edition

This highly visual brief survey of Western civilization presents an exceptionally balanced survey of the political, social, and cultural developments in Western history--both strengths and weaknesses, as well as the controversies surrounding it. The Teaching & Learning Classroom edition of the highly successful The Western Heritage, Tenth Edition provides your students with the most help available in reading, comprehending, and applying the material in the text and in class. A series of pedagogical aids within the text, in addition to presentational and assessment support for instructors, makes this text the perfect choice for those looking to make history come alive for their students.
