

Chemistry: The Central Science with MasteringChemistry with Pearson eText Student Access Code Card (11th Edition)

Expert authors, scientific accuracy, and clarity from eleven editions of experience have made Chemistry: The Central Science the most trusted book available. The authors continue to find new ways to help you understand general chemistry not only inside the text but with MasteringChemistry, the most advanced online tutorial and assessment program available. Used by over a million science students, the Mastering platform is the most effective and widely used online tutorial, homework, and assessment system for the sciences. Pearson eText gives students access to the text whenever and wherever they can access the Internet. The eText pages look exactly like the printed text, and include powerful interactive and customization functions. Package contains: Brown et al., Chemistry: The Central Science, Eleventh Edition MasteringChemistry with Pearson eText Student Access Kit
