

The Struggle (Christian Heritage Series: The Santa Fe Years #5)

Mysteries Abound in this Exciting Tale World War II continues to rage on, and Will and his friends are knee-deep in helping with the war effort in any way they can, because if the soldiers aren't giving up, they're committed to supporting them. Then, one glimpse at shadowy figures out on Mr. Tarantino's ranch also thrusts Will, Fawn, and friends into the mystery of who's stealing Mr. T's cattle. Will becomes more determined than ever to capture the rustlers after rebelling against Sunday's sermon on turning the other cheek. But a careless misstep lands Will in big trouble. Will anybody be able to rescue him? Will he be able to learn to pick his own battles in time? Or will his refusal to see that there can be victory in surrender land Will in even further trouble?
