

## The Class Election from the Black Lagoon (Black Lagoon Adventures series Book 3)

Another fun chapter book from the dynamic duo of Mike Thaler and Jared Lee -- just in time for Election Day! Mean Mrs. Green is forcing everyone to run for something in the school election, but everyone just wants to run for their lives! YIKES! Hubie is running for president against Doris. But he doesn't think he stands a chance against the free ice cream that she's giving away to voters. Plus, to stay in the race he has to do crazy stuff like shaking Coach Kongs paw and Mrs. Greens claw, and kissing a bunch of babies. Hubie's chances look slim. Will being the candidate who stands for something---not just who stands on top of something--be enough to win him the race in the end?
