

A Wild Cowboy

When a little boy gets set to spend the day at Grandmas, hes really preparing to go on the cowboy ride of his dreams. With his imagination in tow, he and his pardner (brother) ride their horses (Mom and Dad) to meet their ranch hand (Grandma). After having a great day doing all the things that cowfolk do, this fantastic adventure ends in a wonderfully reassuring way as the cowboy and his horse are reunited, just in time to be tucked in bed. This is the quintessential cattle-rustling cowboy fantasy, ideal for all young tots with lots of wonder and imagination in their hearts. Dana Kessimakis Smith was born and raised in Utah. Currently she lives in California with her family, working as a full-time writer and mom. Laura Freeman studied art at the School of Visual Arts in New York City, where she lives with her husband and two sons.
