Excerpt: ... RICHARD BENTLEYⁱ Part I Many years ago, walking in the sequestered valleys of Cumberland with an eminent author² of the present day, we came to a long and desolate sort of gallery, through a wilderness of rocks, which, after rising and narrowing for about two miles, suddenly opened right and left into a little pastoral recess, within the very heart of the highest mountains. This verdant circus presented in its centre a beautiful but tiny lake, locally called a tarn,³ with a wild brook issuing from it¹ This long and scholarly paper, the most elaborate of all De Quincey's efforts of the strictly biographical kind, and a really important contribution to English biographical literature, appeared originally in the form of two successive articles in Blackwoods Magazine for September and October 1830, in the guise of a review of a Life of Richard Bentley, D.D., by J. H. Monk, D.D., then just published. Dr. Monk was soon afterwards Bishop of Gloucester. De Quincey revised the paper in 1857 for vol. vii. of his collected writings, as usual making some changes. These consist chiefly of added sentences and footnotes.--M. 2 Eminent author :--Viz. who? On second thoughts, there is no call for secrecy ; and therefore, in this third edition, I abjure it. The eminent author was Robert Southey; the beautiful but litigious solitude (a valley to which the only road, far from descending, as in making for a valley it should have done, slowly ascended for miles) was Waterlath, six miles from Keswick, and three from the foot of Lodore Waterfall. 8 Tarn :--Any small lake among mountains much above the level of the larger lakes, and fed, not (as they are) by one main stream, but by a

number of petty rills trickling down the side of the surroundthrough the road by whic...
