

The Darkmount Trilogy (Side Stories of the Iron Flower)

The first lighthearted heroic fantasy tale featuring Rose, heroine of the Legend of the Iron Flower series, that started it all! Rose, a female warrior with a superhuman constitution, and her partner Finn celebrate their defeat of a dark lord by attending a feast. But when Rose's morals lead her to interrupt a religious ceremony, they must face the wrath of the local god. A short story previously published in Literal Translations and Afterburn SF. Takes place between Iron Bloom and Iron Flower.
