

The International Jew

The International Jew is a book written by Henry Ford, who authored books and articles which make claims about Jews. Readers will be able to make their own judgements of this work, as some find it to be accurate while most have historically found Henry Fords writings to be filled with inaccuracies and bigotry. This book is presented here for educational purposes and for those who are interested in reading a book written by important American businessman Henry Ford. --This text refers to the Hardcover edition and was provided by the publisher. On the edition shown here, quality assurance was conducted to remove imperfections introduced by the digitization process of this pre-1923 work, but the book may have occasional errors.
