

## Selections from the Table Talk of Martin Luther

Table Talk-Tischreden-is a substantial folio. The talk of Luther was arranged, according to its topics, into eighty chapters, occupies 1,390 closely printed pages, a full fourteen volumes. Selections from the Table-Talk of Martin Luther condenses Luthers work presenting choice passages. Every paragraph stands unabridged, exactly as it was translated by Captain Bell; and there has been no other purpose governing the choice of matter than a resolve to make it as true a presentment as possible of Luthers mind and character.
