

## Paradise Lost: The Third Book, With a Prose Translation or Paraphrase, the Parsing of the More Difficult Words, and Numerous Illustrative Notes (Classic Reprint)

Among the Notes on this Third Book of the Paradise Lost, and in the simple prose translation, the student will, it is hoped, find sufficient suggestion for the grammatical analysis of the more difficult passages. It has been thought unnecessary again to append formal specimens of passages analysed, as in Books I. and II., where ample means will be found of cultivating familiarity with the structure of Milton's sentences. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
