

The Phoenix on the Sword: The Tower of the Elephant: The Pool of the Black One: Rogues in the House : Conan the Barbarain

This book is about Conan the Cimmerian written by Robert E. Howard. In this edition contains 4 adventure tales of Conan .1. The Phoenix on the Sword is one of the original short stories about Conan the Cimmerian, written by American author Robert E. Howard and first published in Weird Tales magazine December 1932. The tale was a rewrite of the unpublished Kull story, By This Axe I Rule! with long passages being identical. The Conan version of the story was republished in the collections King Conan (Gnome Press, 1953) and Conan the Usurper (Lancer Books, 1967). It has most recently been republished in the collections The Conan Chronicles Volume 2: The Hour of the Dragon (Gollancz, 2001) and Conan of Cimmeria: Volume One (1932-1933) (Del Rey, 2003). It is set in the pseudo-historical Hyborian Age and details Conan foiling a nefarious plot to unseat him as king of Aquilonia.2. The Tower of the Elephant is one of the original short stories starring the fictional sword and sorcery hero Conan the Cimmerian, written by American author Robert E. Howard. It is set in the pseudo-historical Hyborian Age and concerns Conan infiltrating a perilous tower in order to steal a fabled gem from an evil sorcerer named Yara. Due to its unique insights into the Hyborian world and atypical science fiction elements, the story is considered a classic of Conan lore and is often cited by Howard scholars as one of his best tales.3. The Pool of the Black One is one of the original short stories starring the sword and sorcery hero Conan the Cimmerian, written by American author Robert E. Howard. It is set in the pseudo-historical Hyborian Age and concerns Conan becoming the captain of a pirate vessel and encountering a remote island with a mysterious pool that has powers of transmutation. First published in Weird Tales in 1933, the story was republished in the collections The

Sword of Conan (Gnome Press, 1952) and Conan the Adventurer (Lancer Books, 1966). It has more recently been published in the collections The Conan Chronicles Volume 1: The People of the Black Circle (2000) and Conan of Cimmeria: Volume One (1932-1933) (Del Rey, 2003).4. Rogues in the House is one of the original short stories starring the fictional sword and sorcery hero Conan the Cimmerian, written by American author Robert E. Howard and first published in Weird Tales magazine circa January 1934. It is set in the pseudo-historical Hyborian Age and concerns Conan inadvertently becoming involved in the power play between two powerful men fighting for control of a city. It was the seventh Conan story Howard had published.
